

# **ALL DVD and LIVE / DVD Options**

When a student misses a class day, they have two ways to make it up. First, they are welcome to attend another class location for the day they missed *FREE*. Second, they can view a DVD of the missed day for a fee. The DVD's were filmed in LIVE classrooms taught by Mr. Diciccio. Students who find it impossible to attend a LIVE class at all can view all of these DVD's instead. This is the **ALL DVD Option**. The DVD's are viewed when Mr. Diciccio is present to answer questions. The location for doing this varies. The current price for the **ALL DVD Option** in Poland, Ohio is \$399.00 and includes all the materials of the live classroom course. Payment for the **ALL DVD Option** is for viewing the DVD's and does not include purchasing them. The DVD's remain the property of Mr. Diciccio.

When it is possible for an **ALL DVD Option** student to attend a LIVE Classroom presentation they are welcome to do so. The course then becomes a mix of LIVE and DVD and is referred to as **LIVE / DVD Option**.
