A 'good' Interrupted Strategy (when taking the Test is postponed) would be:

1. Take quality notes while taking the A.C.T. SuperCourse when it is more convenient (e.g. summer, when not in your sport's season, etc.)
2. Do only the homework necessary to keep up with the class
3. Do the bulk (85%) of the practice exercises right before taking the Test

Below is the A.C.T. SuperCourse schedule for The Ursuline Center (Canfield, OH)
(Make up of 1st class is available. All the information below is subject to change.)
