

# An additional service for your consideration:

## Supplemental 1-to-1 A.C.T. Tutoring

If your Composite Score is not severely out of whack with your G.P.A. (see [G.P.A. vs. A.C.T. / P.S.A.T. scores](#) on website) – i.e., you only need a point or two– then you should simply register for a LIVE classroom A.C.T. SuperCourse or take the A.C.T. SuperCourse by DVD. If, however, your Composite is not commensurate with your G.P.A. – i.e., 3 or more points too low – or one of your E,M,R,S sub scores is dragging down your composite then you should consider private 1-to-1 tutoring in addition to participating in the LIVE or DVD SuperCourse. Tutoring may also be needed if a student’s score is “stuck” despite additional preparation between successive tests.

Whether this supplemental instruction takes place before, during, and/or after the student takes the A.C.T. SuperCourse depends on the needs of the student. This instruction is not redundant of what the student learns during the SuperCourse. The emphasis is on content as opposed to the basic test-taking strategies which are taught during the SuperCourse. Different or advanced strategies will be taught as necessary. Materials include *The Official Act Prep Guide* (which is the included SuperCourse textbook) as well as other materials as necessary (which may require purchase).

Content instruction is available in:

1. English proofreading and editing (initial sessions \$8.00/passage)
2. Math problem solving (initial sessions \$20.00/math test)
3. Reading rate and comprehension (initial sessions \$10.00/passage)
4. Science experiment analysis (initial sessions \$5.00/passage)
5. Writing prompt evaluation

Instruction is in person or virtual (only if necessary). Current pricing is \$1.00 per minute of “LIVE face time instruction” plus materials. There is no minute charge while the student is completing a practice exercise. A stopwatch is used to keep track of time. A minimum charge may apply. Your instructor will be Mr. Diccio. He can be reached by calling 330-755-2710 or texting 330-727-9166.

Please note: Supplemental 1-to-1 A.C.T. Tutoring from Mr. Diccio is exclusively for former, present, or near future A.C.T. SuperCourse students.
