Q. How do I know if my score is as high as it should be? A. See table below.

Q. What should I do if it isn't? A. For starters, take the **ACT SuperCourse!!**

11th grade G.P.A. vs. 11th grade A.C.T. Composite Scores vs. 11th grade P.S.A.T. Scores

<u>If your G.P.A. is:</u>	<u>Your A.C.T. score should be equal to or greater than:</u>	<u>Your P.S.A.T. Total Score should be equal to or greater than:</u>
4.0+	30+	1340+
3.9	29	1300
3.8	28	1260
3.7	27	1220
3.6	26	1190
3.5	25	1150
3.4	24	1110
3.3	23	1070
3.2	22	1030
3.1	21	990
< 3.1	21*	990

*21 is the national average A.C.T. Composite Score. As such, I do not want any of my students to have a score below 21 as her or his goal. This table is based on studies jointly undertaken by the A.C.T. and the College Board (S.A.T.).
