

Ordinary (non-A.C.T.) 1-to-1 STEM individual and group tutoring –
i.e., in Science, Technology, Engineering, and Math
Please note: 1-to-1 A.C.T. Tutoring is supplemental to the
A.C.T. SuperCourse. It is exclusively for A.C.T. SuperCourse students.
See a separate website document at www.actsupercourse.net .

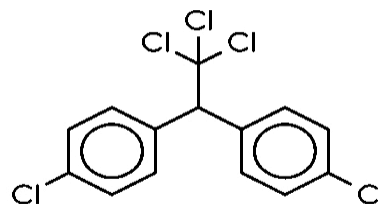

DDT*, David Diciccio Tutoring

“Getting the -būğs- out of your S.T.E.M. understanding!”

Grades 9 – College: Call: 330-755-2710 Text: 330-727-9166

Current pricing is \$1.00 per minute of “face time instruction” plus materials.
Instruction is in person or virtual conferencing only if necessary. There is no
minute charge while the student is completing an exercise. A stopwatch is used to
keep track when necessary. Your tutor will be Mr. Diciccio.

**DDT is also an abbreviation for an
insecticide that has been widely used
to control insects which carry human
diseases. It is important because it is
inexpensive yet extremely effective!
(just like David Diciccio Tutoring !)*

DDT(dichloro-diphenyl-trichloroethane)

GO STEM HAPPY !

Homework Assistance Participation Program Y'all !

Do any STEM homework while sitting in our group!
Help is standing by if you need it.

Five Star “★★★★★” Lecture Note-taking

Academy of Math, Science, and Technology

Training for any size group. Have whiteboard — will travel !
